My children all felt seen by their teachers and each found an area where they were able to not only succeed, but thrive! Courtney Sherritt, Former Lambs Parent (had 3 children at Lambs in 2024) Children will enjoy a theme-based curriculum that prepares them for future kindergarten readiness through interactive activities such as stories, songs, and art projects. Outdoor playtime in the morning and afternoon is also encouraged, weather permitting. A safe and secure environment allows children to feel loved and valued, with Conscious Discipline guiding them to recognize and express their feelings in healthy ways.
