Candidates can study anytime, anywhere with the help of the short notes.Make Sure to Keep Revising the SyllabusOnce you are done with some percentage of the complete syllabus, you have to make sure that you keep revising the same on regular intervals. Similarly when you get done with the other half, keep revising that too to gain perfection.Students can discuss in Groups for Better Understanding of the ConceptsToppers have revealed that the studying in groups helped them have a better understanding of the concepts. Many of the doubts get cleared in the group discussions itself.Make sure to have a separate notebook for formula / factsHaving a separate notebook for the formulas / facts can help the students a lot while preparing the numericals or direct questions. Once the students will keep on checking these in the notebook, soon the students will get used to it and will not even need to have a look again! 8 6 8 6 2025-26 , , , , 8 8 ( ) ( ) 1 2 , , , : , - : , : , : : , , : , [A].
