1. What is the outcome for Herot when the Danes first return to sleep after 12 years, and what drives her actions? 2. Why does Grendel's mother leave Herot, and how does she feel about the events that transpired. 3. What prompts Hrothgar to call upon Beowulf once again, and why is his request significant? 4. How does Beowulf respond to Hrothgar's appeal, and what drives his determination. 5. Where does Hrothgar lead Beowulf in pursuit of Grendel's mother? 6. Can the lake containing Grendel's lair be described as frightening or repellent? 7. Why is it crucial for Beowulf to wear his armor during this battle, and what protection does it offer. 8. How does Unferth change his behavior towards Beowulf after initially mocking him, and what changes in his attitude. 9. Despite initial ineffectiveness, how does Beowulf manage to save himself from Grendel's mother? 10. What do Hrothgar and his soldiers observe during the battle with Grendel's mother, and how does it affect their perception of her. The Danes and their king depart as the Geats remain, eagerly awaiting the triumphant return of their leader from the dark depths of a terrifying lake. The group's fate hangs in the balance, with only hope keeping them going until their hero emerges victorious.
