At Jimmy John's in Kirkland, we don't just make sandwiches. We make the sandwich of sandwiches. We use fresh vegetables because we don't hate salads, we just feel bad for them. We hand-slice our provolone cheese and meats every day, because packaged pre-sliced meats doesn't have the same ring to it. And we bake bread all day, every day because stale bread isn't bread, it's...croutons. Order pickup or delivery at your local Kirkland Jimmy John's now! Quality is our way of life. That's why the Kirkland Jimmy John's Rockstars spend six hours slicing and baking every day to make tasty sandwiches in just 30 seconds or less. Our French bread is baked all day, every day. It's always served less than four hours out of the oven. You can also make your favorite sandwich in an Unwich® lettuce wrap! We use all-natural, high-quality meats, and we slice and weigh each portion to perfection daily. Our veggies are locally purchased, delivered fresh to Kirkland Jimmy John's stores, and hand-sliced daily. Sandwiches made from fresh ingredients are just how we roll. The flavor of a ripe tomato and crisp shredded lettuce, combined with fresh-baked bread, fresh-sliced meat and real Hellmann's® mayo—that's when the magic happens. Sandwiches made with love every single day, since 1983.
