Track the music you listen to by via our desktop and mobile apps or by connecting to many of your favourite music services. Scrobbling is when Last.fm tracks the music you listen to and automatically adds it to your music profile. The Last.fm Desktop Scrobbler for Windows is a simple app that runs in the background and automatically updates your profile with what you've been playing on your computer via native media players such as Windows Media Player or iTunes. Download now for Windows Compatible with Windows 7, Windows 8, and Windows 10. Not using Windows? Try the Mac version The Last.fm Desktop App for Windows automatically updates your profile with what you've been playing on your computer via native media players such as Windows Media Player. NOTE: This app is no longer supported and some features such as scrobbling from certain media players and iPods may no longer work on newer systems. Download now for Windows Compatible with Windows XP, Vista, Windows 7, Windows 8 and Windows 10. Not using Windows? Try the Mac version Your stats. On the Go. Make listening count with the Last.fm App. Track the music you stream and access personalised listening reports, stats, and charts. All on the go.
