Your feedback will help us to fix bugs and decide the direction of the optimization next. For active beta testers, we will give away cubes, coins, and other rewards, please send your suggestions to our email:Precautions: 1. Your game data in Beta is independent of any other servers or versions. Blockman GO accounts cannot be used in Beta, and Beta accounts cannot be used in Blockman GO as well. 2. The Beta is a server used for testing and experiencing new versions. Due to the uncertainty of the testing, the official will occasionally "delete files" (clear player data) and "setback" (rollback server data) in the Beta. To play in Beta, please understand the situation and cooperate with us. 3. The Top-up function is not available in the Beta temporarily. And game items cannot be purchased through any channel. 4. For the purpose of testing, the activities released in the Beta may not be consistent with the final one in the Blockman GO app, which depends on the current test objectives of the stage, and please check the final activity in the Blockman GO. 5. After the new game has been tested for a period of time, we will close the new game entrance in the Beta. For those who want to experience the full functionality of the game, please download the Blockman GO app. What's new in 1.4.9 1.New game: Impostor Blockman GO : Blocky Mods - Увлекательная игра на Android в которой вы сможете играть со своими друзьями.
