Radius (Circular): Perfect for half circles and pleated skirts, delivering a centralised gradient for a polished, symmetrical effect. Cutting-Edge Technology: Embrace next-level creativity with fluorescent shading, plus coordinating shaded tadel fringes and even shaded coque feathers for dramatic flair. Bespoke Combinations: While our standard range is extensive, we can produce custom colour gradients with low minimums—ideal for unique showpieces. New & Noteworthy We recently introduced a triple gradient in sheen chiffon, blending coral-to-fuchsia-to-coral for a daring, statement-making look.
